# Seniors: Not Just Better — The Best

102 surviving members of the Senior Class spent the year having fun and letting out frustrations that were held over from past years. The class started out the year with a great rivalry with the juniors in the Powder Puff football game. As part of the pre-game spirit, the team and the innovative coaches arrived at the outdoor pep assembly on the Delta fire engine, complete with lights and sirens for the "Burning of the Junior." The game produced many bumps and bruises, but in the end the seniors beat the juniors by a touchdown.

Throughout the year the Seniors were the backbone of various teams and clubs which brought home many championships and honors to DHS.

Garbed in tuxes and formal dresses, the class gathered at the Palomar for their Senior Ball and then began counting down the days until graduation.

# Delta Welcomes New Students

This year marked the beginning of the influx of people coming to Delta for IPP related jobs. Delta High School felt the impact as new students arrived from all over the Western States. Approximately 100 new students registered throughout the year. Although most of these students came from larger schools many of them had positive comments about Delta High School. They liked the friendly atmosphere, the clean school and the open campus. Toward the end of the year the school started planning for even more students who will be coming in next year.

# What's Popular At D.H.S. In 1982

In a survey taken at the end of the year, two-thirds of the sophomores, juniors, and seniors confessed that they play video games and spend between \$1.00 and \$5.00 per week on the arcade machines. Of those polled, Pac Man and Ms. Pac Man were the favorites of 66%; 33% liked to play Asteroids, Firebird, Galaxian, Donkey Kong, Tempest, and pinball.

Comedy and horror movies ranked high in the upper grades. 60% of the students saw between one and ten movies, while 40% watched more than 10; some saw as many as 25. The favorite flick of the movie-goers was **Superman II**, followed by **On Golden Pond**, with **Raiders of the Lost Ark** and **Stripes** tied for third. **The French Lieutenant's Woman** and **Chariots of Fire** were the least favorite films.

Rock Music was this school's most favorite; country and pop were close behind. Newcomer Rick Springfield was the biggest winner in the favorite solo artist category with Olivia Newton-John's and Pat Benetar's combined scores barely equaling half of his. There were several favorite groups as the close scores indicate. J. Geils Band led the pack with Air Supply, Journey, Go Gos, and The Oak Ridge Boys following close behind. Journey-**Escape** was the favorite album, Styx- **Paradise Theater** placed second. **The Oak Ridge Boys' Greatest Hits** and Air Supply- **The One You Love** tied for third.

**Endless Love** was the most popular song of last year. **Open Arms** came in second, with a three-way tie for third — **Bette Davis Eyes**, **Centerfold**, and **Here I Am**.

## Girls Chase And Chase—Boys

'Til death do you a part, or until Friday night at midnight, which ever comes first" was one of the phrases that was heard many times in the halls of DHS as several couples took wedding vows for Sadie Hawkins Day.

The girls were given three days to catch their "man." Some of the guys, like Rick Tolley, wouldn't give up even after the girl had tackled them in the hall. A few couples went all out for their wedding. They had cakes, flowers, and photographers at the ceremony which was conducted by a varsity cheerleader in a flowing choir robe.

Tim and Marsha agreed that a handshake would do instead of a kiss. 2. Don't you ever give up, Kyla? 3. Brian and Virginia practiced in the halls for the dance. 4. Daren had cold feet at his wedding, but Teresa's eagerness came through her lovely veil.
